- **Facility** is staffed 24/7 fully secure, CCTV

## Thamesport, UK

Since commencing operations in January 2021, our facility in Thamesport has customs cleared over 25,000 consignments.

Located within one of the largest short sea container ports in the South East of England and just 25 minutes from Junction 1 of the M2 motorway, our facility consists of over 1,000 m2 warehousing floor space, ideal for container loading / unloading, cross docking operations and / or long term storage. The unit could also be configured for pick / pack operations, relabelling etc.

We have full ETSF authorisation enabling us to customs clear consignments away from ports of loading / discharge as well as authorised consignor / consignee status allowing us to raise and discharge transit documents.
